WELCOME TO THE CARIBBEAN

Blazing sunsets over Technicolor seas, teeming with nearly 700 species of fish flitting among 70 types of vivid coral. Trade winds that skim mountain peaks, breathing softly into lush rainforests. Palms rising out of sparkling white beaches. Ethereal cloud forests that float high above mangrove swamps, cactus scrublands, and vast savannahs.

These are the images travelers to the Caribbean's over 700 islets, reefs, cays, and more than 30 islands carry with them. However, the beauty of these paradisiacal destinations goes beyond stunning aesthetic; gorgeous landscapes and year-round sunshine are only the beginning of this region's allure. To get a true picture of the Caribbean, look past what you see and tap into how you feel.

Close your eyes and focus on the sound of steel drums and pounding feet as pulsing reggae, calypso, and other island rhythms echo through the night. Savor what cuisine spooned from a melting pot tastes like—a blend of African, Spanish, Asian, East Indian and European flavors creating a profile all its own. Let the joy and vibrancy of incredible festivals infuse your soul. Escape to a time and place a world away, with elegant hospitality on romantic estates, or resorts that provide modern luxury at its finest.

Together, these are the true lasting impressions of the Caribbean—the beautiful, unforgettable moments embedded in your mind and heart forever; an indelible mark from the sweetest of escapes.

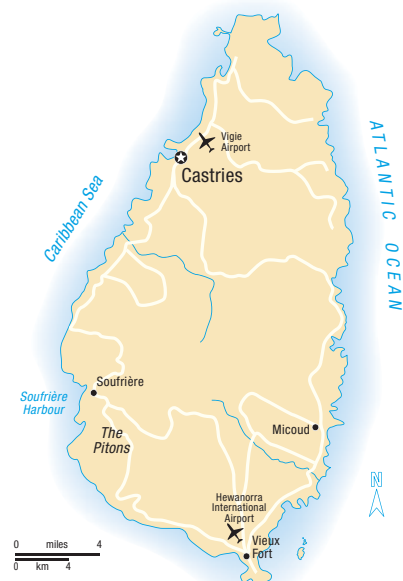

SAINT LUCIA

Simply Beautiful

A leading honeymoon destination, romance is written on every grain of sand, in every splash of countless waterfalls, and every bite of Asian, American, European, and Caribbean cuisine. How could it not be, when in the colonial era, France and England fought over its beauty so frequently that it was called the “Helen of the West Indies”?

But this island isn't just for lovers. Adventure seekers head to the Pitons, Saint Lucia's two signature peaks, for biking or zipline excursions through jungle canopies. They plunge into the coral gardens of over 23 renowned scuba sites. Dive into culture in the street market of Castries; the traditional Friday and Saturday night fish fries in the towns; the jazz and calypso during Carnival; and the heritage sites of Pigeon Island National Landmark. The list of things to do rivals only the number of trails that lead up to La Soufriere, one of the world's only drive-in volcanoes, and immaculate beaches, making a honeymoon stage with this island one that never ends.
