WELCOME TO THE CARIBBEAN

Blazing sunsets over Technicolor seas, teeming with nearly 700 species of fish flitting among 70 types of vivid coral. Trade winds that skim mountain peaks, breathing softly into lush rainforests. Palms rising out of sparkling white beaches. Ethereal cloud forests that float high above mangrove swamps, cactus scrublands, and vast savannahs.

These are the images travelers to the Caribbean's over 700 islets, reefs, cays, and more than 30 islands carry with them. However, the beauty of these paradisiacal destinations goes beyond stunning aesthetic; gorgeous landscapes and year-round sunshine are only the beginning of this region's allure. To get a true picture of the Caribbean, look past what you see and tap into how you feel.

Close your eyes and focus on the sound of steel drums and pounding feet as pulsing reggae, calypso, and other island rhythms echo through the night. Savor what cuisine spooned from a melting pot tastes like—a blend of African, Spanish, Asian, East Indian and European flavors creating a profile all its own. Let the joy and vibrancy of incredible festivals infuse your soul. Escape to a time and place a world away, with elegant hospitality on romantic estates, or resorts that provide modern luxury at its finest.

Together, these are the true lasting impressions of the Caribbean—the beautiful, unforgettable moments embedded in your mind and heart forever; an indelible mark from the sweetest of escapes.

ARUBA

One Happy Island

Relaxation may be the prevalent theme at most Caribbean islands, but in Aruba, the focus of every day is to find the joy in each moment. Even the sun shines with a smile on “One Happy Island,” where light trade winds make 82 degrees the temperature of perfection.

For perfection it is, for every travel style, from family—and sea turtle!—favorite Eagle Beach to glamorous Palm Beach. Deserts populated by cacti, curious iguanas, and ancient boulders call to the explorer within, and the craggy limestone cliffs, towering sand dunes, and crashing breakers to the north inspire awe and a sense of freedom. In the capital city of Oranjestad, refined Dutch colonial architecture steals the spotlight just minutes from the island's fofoti trees and inquisitive marine life. Located in the heart of the Southern Caribbean, its world-famous festivals, international cuisine, and shopping are legendary.

JOIA ARUBA BY IBEROSTAR

Recently opened, you'll find the spectacular JOIA Aruba by Iberostar right on Eagle Beach; it's located in an extraordinary enclave in the Southern Caribbean and boasts exceptional service. Imagine taking a swim in the infinity pool while looking out at the spectacular views of the area or unwinding at the pool bar without having to leave the pool. Relax with a spa session and try out the culinary offerings at the spectacular buffet and the two specialty restaurants, as well as the four bars and Star Café. You'll find activities for everyone both at the hotel and nearby. You can play golf at Tierra del Sol—Aruba's only professional 18-hole golf course, designed by Robert Trent Jones II—discover its idyllic beaches, or unwind in the hotel's luxurious facilities.

DOMINICAN REPUBLIC

Has It All

The island nation of Dominican Republic has become a premier vacation spot for Americans, with the Caribbean's most renowned golf courses; full-service marinas; and, of course, resorts that leave you wanting for nothing. Punta Cana's miles of palm-lined, white-sand beaches and affordable all-inclusives have plenty of loyal devotees, and the luxurious golf and marina community of nearby Cap Cana is hot on its heels. La Romana's quaint Altos de Chavón enclave is an exceptional work of livable art, with shops, a gallery, restaurants, amphitheater, and more perched high above golf courses, polo fields, and a marina. In the capital city of Santo Domingo, modern hotels sit on the same cobblestoned streets conquistador Juan Ponce de León once strode upon. In contrast, head to the northern coastline, where Puerto Plata beckons sun-worshippers to its amber shores and natural harbor; and to the bay and scenic port town of Samaná, the destination of choice for thousands of humpback whales each winter.

JAMAICA

Heartbeat of the World

Immortalized in song, legend, and the memories of the millions of visitors that are drawn to this diverse destination every year, this island means something different for everyone. For some, it's the feeling of getting lost in hypnotizing reggae beats while barefoot in the sand. For others, it's coming alive to sensory overload with the taste of jerk seasoning on your tongue, and adrenaline in your veins as you conquer the rainforest. For the rest, it's that sensation of tangible decompression, with ten golf courses and a long list of spectacular resorts designed to pamper.

Experience every part of the vacation spectrum on Jamaica's 146-mile long borders. Montego Bay offers easy accessibility with its airport, and boasts amazing beaches, four championship golf courses, and a "hip strip" of shops and restaurants. On the island's western tip, laid-back Negril's Seven Mile Beach and grotto-lined cliffs call out to water lovers. East of MoBay, you'll find more great resorts and beaches in Falmouth, Braco, Runaway Bay, and Ocho Rios with its famous Dunn's River Falls.

WELCOME TO MEXICO

Awe-inspiring resorts, set on powdery sands on sprawling coastlines. Darling coastal villages, where *fútbol* is played by youngsters on the same streets the greatest European conquistadors and Aztec, Incan, and Mayan warriors once strode; where old traditions live on, tortillas are still handmade, chocolate is served spiced, and Mayan and Nahuatl languages flow like the rivers that run through the country's jungle.

These are only some of the lasting impressions made by the United Mexican States, the tenth most populated country in the world. Featuring a landscape that offers sugar-white beaches, cinnamon deserts, and cities both forgotten and remembered in between, it's no wonder that so many Americans come here each year in search of paradise.

They head south to feel the kiss of the sun on their skin and the whisper of clear water at their feet. The rush of warm air as they zip through lush rainforests, countered by the crisp coolness of a refreshing cenote. The taste of pestle-ground guacamole, filling tamales, savory barbacoa, or heavenly carnitas, spiced with fresh chiles and tempered with a cornucopia of tropical fruit and mild cheeses.

From the Sea of Cortez to the Yucatan Peninsula, and the Gulf of Mexico to the Pacific Ocean, the magic of Mexico awaits, each destination eager to make its own lasting impression.

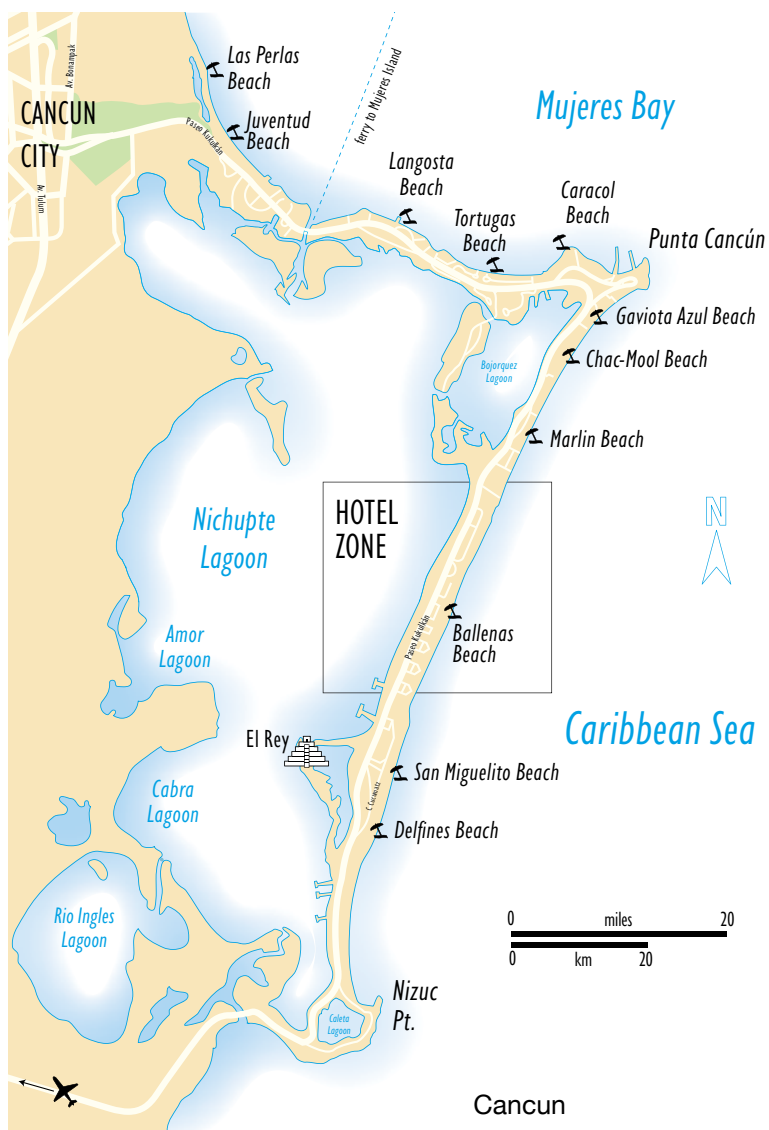

CANCUN

A Place Like No Other

One of Mexico's most beloved beach destinations, developed exclusively with tourism in mind, the tip of the Yucatan Peninsula is perhaps the best example of a crowd-pleasing destination on this side of the Americas. The sun worshipper and water lover; historian and adventurer; spa hopper and wildlife explorer; gourmand and gourmet; families with children in tow, empty nesters, and couples in every stage of love ... there truly is something for everyone in this slice of paradise along the Caribbean Sea.

At the heart of the action lies Cancun, a seven-shaped strip of stunning resorts set on 14 miles of bright white, crushed coral beaches, and host to millions of visitors each year. Divided into the popular and lively Hotel Zone, Downtown Cancun, and the Ecological Reserve, golf, snorkeling, scuba diving, wind surfing, water skiing, sailing, deep sea fishing, and jungle tour opportunities all tempt loungers to leave the sugary sand, no matter in which region they set up their chairs.

RIVIERA MAYA

Gateway to the Mayan World

To discover all of the Mexican jungle's ancient secrets, go to the Riviera Maya. Known for its 70-mile stretch of postcard-perfect waterfront, this region is also the site of the ruins of Tulum and its eponymous beach. Equally famous for its cenotes—stunning underground sinkholes filled with crystalline water—as it is for its shoreline, rest and adventure go hand in hand here.

A stone's throw away from the peaceful resorts that line the Riviera Maya's shores is the renowned touristic area of Cancun; the colorful villages of Playacar; and, of course, lively Playa del Carmen, where the nightlife keeps visitors on their feet.

Nature-lovers will quickly find what they seek, as well. Xcaret, the massive eco-archeological theme park, is based here and, just south, you'll find the 1.3 million-acre Sian Ka'an Biosphere Reserve, a UNESCO World Heritage Site with 23 archeological sites. Not to be forgotten are the famous coral reefs of Cozumel and the Puerto Aventuras marina, popular with fishermen and yachters alike.

COZUMEL

Heaven on Earth

Cozumel, Mexico's largest island at 30 miles long and ten miles wide, has long been a favorite cruising port, even back in the 17th century, when it served as a treasury for pirates. Today, it's a treasury for marine life, with visibility of up to 200 feet and cenote diving sites created by underground rivers. Known as one of the world's most spectacular places to scuba dive, visitors to nearby Riviera Maya and Playa del Carmen often take the ferry ride just for the 25 coral reefs found off this island's shores.

On this mostly undeveloped, island jungle destination, nature takes the spotlight. Part of the Cozumel Reefs National Park, the Chankanaab National Park features the Chankanaab Lagoon—the only inland coral reef in the world—and the Punta Sur Eco Park, another top attraction. Its Faro de Celarain lighthouse has a museum, observation towers with crocodile views, and the old whistling Mayan lighthouse, El Caracol. Four Mayan archaeological sites round out the ancient culture, while the town of San Miguel provides a taste of today's culture, with hopping restaurants and active nightlife.

RIVIERA NAYARIT

Stunning Treasure of the Mexican Pacific

On the northern part of the Bay of Banderas and minutes from the Puerto Vallarta airport, Riviera Nayarit beckons travelers to its charming seaside villages and endless stretches of beach along the coastlines of Nuevo Nayarit, Flamingos, Bucerias, and Punta de Mita. Bird-watchers will find marshlands and lagoons as much a sanctuary as the herons, pelicans, and exotic feathered friends who call this Pacific wonderland home. Golfers flock here in spades, too, pairing championship play with views just as renowned. Surfing, snorkeling, and kayaking send enthusiasts into turquoise waters, tinted gold every evening by some of the most spectacular sunsets in the world. Back on land, fresh, vivid flavors put local gastronomy on the culinary map, while colorful handicrafts by the indigenous Huichol make memories of your time in paradise just as vibrant.
